KEY FEATURES

- **Allergen-Free & Vegan**

Suitable for vegan and allergen-conscious formulations.

- **Neutral Taste & Colour**

Integrates seamlessly without impacting flavour or appearance.

- **High Functionality**

Whips, binds, and emulsifies for a wide range of applications.

- **Cost Stability**

Powder format helps reduce price fluctuations compared to liquid egg.

BENEFITS

Aquafaba powder is functional across applications, whipping into stable, airy foams for meringues, mousses, and cocktails, while also providing the binding and structure needed in baked goods to replace eggs. It creates smooth, stable emulsions in sauces and dressings. Available in a powdered format, making it shelf stable, easy to handle, and consistent in performance.
