

ROWANBERRY EXTRACT

Rowanberry Extract is a natural mold inhibitor used as a alternative to chemical preservatives. It works best in non-yeast leavened goods and effectively inhibits the growth of mold, yeast, and bacteria.

Applications

- Jam
- Beverage
- Fillings
- Cakes

KEY FEATURES

- **Preservation**

Extends shelf life against yeast and mold in foods.

- **Clean-Label**

Contains natural sorbic acid, eliminating the need for synthetic chemical preservatives.

- **Versatility**

Preforms well at a wide pH range.

BENEFITS

Rowanberry extract offers strong antimicrobial protection without impacting flavor or appearance. As a clean-label product, it can be listed simply as "rowanberry extract," making it appealing to label-conscious consumers. It's an ideal choice for maintaining freshness and extending shelf life in a variety of food products.
